FOOD & DRINKS

Souza Lobo started in 1932 started by Joao and Valentina Lobo started as a hotel called Pavilhao Souza Lobo having a few rooms. This continued until the 60s until their son Joao Martires Lobo and his wife Maria Santana took over and with Maria's family recipes it took the restaurant to a whole new level. These recipes are still followed till today. The business is now run by their son Jude Lobo who entered the business in 94 and that is when he decided to remove all the rooms and turn it into a full fledged restaurant.

The restaurant sits strong on the white sand beaches of Calangute for 90 years and has won countless awards and has put Goan food on the global map.

Souza Lobo boasts of a large seafood menu showcasing Goa's best seafood served with age-old family recipes. Our menu has gotten a facelift to celebrate 90 years of Souza Lobo.
